Jason Baxter - President

Craig Baxter - Vice President

Jessica Baxter - Secretary/Treasurer

President's Message:

The boating season has finally arrived, but with it, so has some dangers. As we begin to launch boats I just want remind everyone to be careful of the floating debris that is often found this time of year. With the recent high lake levels of Lake Ontario, 246.9ft and connecting waterways, we have seen many tree trunks, branches and docks floating in the lakes and bays. As some of us may be enjoying so time this Memorial Day Weekend out on the water, have a safe and happy holiday.

In other news, I have been in contact with the folks at the Hamlin Wheel Fest regarding our display. On Wednesday night I will be attending a Wheel Fest meeting to get a idea of the exact location of our booth as well as dropping off 150 brochures to be included with the goodie bags that are handed out to the participants. Also I dropped off a \$25 Advanced Auto gift card for one of their many door prizes. There will be events for all ages through out the entire day. This years events is on June 7, 2008 and I encourage everybody to stop by and check it out. As always, feel free to bring a motor down to display as well.

Sincerely,
Jason Baxter

WNY-AOMCI March Meeting Report-3/10/08

In contrast with the weather of a couple days earlier, Monday turned out to be a clear sunny day. Upon our arrival to the Kendall Inn, we found that George was already there. Jason greeted George and we all moved to the dining room. George began to setting up his tester, while Jason worked to remove a coil from the coil plate he had brought. Unfortunately during the removal process, the ground wire crumbled from the coil thus rendering the coil unable to be tested. He had also brought a couple of condensers as well. Soon other members began to arrive and some had brought coils as well. George tested those coils and during one testing session a loud arcing sound filled the room. One of the snowmobile patrons from the bar stuck his head into the room see what was going on. Craig explained to the gentleman that we were having a workshop meeting and were currently tested coils.

Jason had brought his Michigan Wheel Propeller Application book as well as a Michigan Wheel propeller to demonstrate how to use the guide. Some members looked through the book as the propellers are listed by Part Number to Model Motor or Model Motor to Propeller making it very easy to use.

Vice-President Craig Baxter called the meeting to order @ 7:30pm. I reported that our treasury is looking good and all bills paid. We covered our old business which included information about our 2008 meeting schedule and 2008 meets. Jason explained that he is looking into another location that could serve our chapter in the future. With no other topics in need of discussion, the meeting adjourned at 8:20pm.

Respectfully Submitted,
Jessica

**THE 33RD ANNUAL
PORTAGE LAKES**

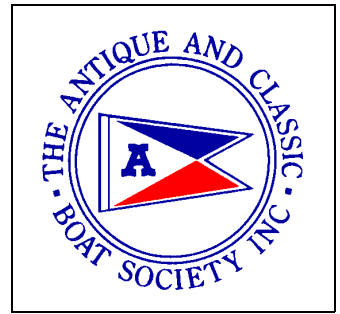

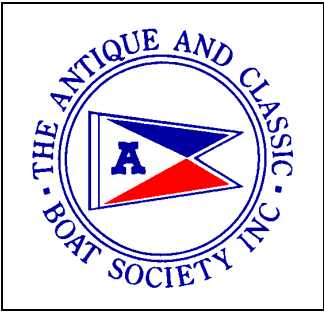

ANTIQUÉ BOAT SHOW

JUNE 28th 2008
**OLD HARBOR INN &
 HOOK, LINE & DRINKERS**
 AKRON, OHIO

FREE ADMISSION
 9am - 3pm Rain or Shine

Hosted by North Coast Ohio Chapter
 Antique & Classic Boat Society
 And
 Portage Lakes Historical Society

The following was sent to me from the President of the North Coast Ohio Chapter-ACBS.

**33rd Annual Portage Lakes Antique and Classic Boat Show
Sponsored by the North Coast Ohio Chapter of ACBS
And
The Portage Lakes Historical Society**

The Portage Lakes Antique and Classic boat show is one of the oldest shows in the country. This 33rd annual event is co-sponsored by the North Coast Ohio chapter of the Antique and Classic Boat Society (ACBS) and the Portage Lakes Historical Society.

This year the boat show will be held at two locations; “The Olde Harbor Inn” and “Hook, Line & Drinkers” restaurants. With both these fine restaurants donating dock space, we will be able to accommodate up to 55 boats, making this the largest boat show on the Portage Lakes.

Hours for this year’s show will be from 9AM to 3PM on Saturday June 28th. The Olde Harbor Inn will be serving buffet breakfast in the morning and both restaurants will have their regular menu starting at 11AM.

This year the Awards Dinner will be held at the historic Turkeyfoot Island Club on Turkeyfoot Lake. This renowned club with its dock space for up to 16 boats will provide a memorable evening for the boat show awards. Cocktails will be served (BYOB) on the patio at 5:30PM and a buffet dinner from 6:30PM to 8:00PM. At 7:30PM, we will have the expanded awards presentations followed by boat rides on Turkeyfoot Lake.

Please make your reservations early!

Boat Launching and Docking for Awards Dinner

 Launching facilities from trailers at Old State Park Launch Ramp, off route 619. Or, from New State Park off Manchester Road.
 If special handling is required such as lifting, call Walt Stashkiw for arrangements.

There will be room at the Turkeyfoot Island Club docks for about 16 boats depending on size. Boats must be removed in the evening as the club has an activity planned for Sunday morning requiring all docks. If you desire to pull your boat out of the water and attend the dinner, we will assist you in parking your boat in a safe location overnight. NCO club members who live on the water have offered docking space at their home docks near the Club for those who wish to leave their boats in the water overnight. There is no space at the Club for boats and trailers. Please call for arrangements.

Walt Stashkiw: Evening Phone: (330) 644-4970 Cell Phone: (330) 289-7849

 Make checks payable to: **North Coast Ohio Chapter ACBS** (include this registration form with your check)

 Mail To: **John Vorhies—Boat Show**
329 Mount Pleasant Rd
Clinton, OH 44216
